

*Since 1986 We Completed Projects...  
...Up & Down The East Coast*

*"Systems For The Future"*

## **Emerson One**

**East Coast Electric, Inc.**

**Date: 2011**

**Description:** Forty-one story 150,000 square foot office building. Working on Emerson Three next. Office building with intent for government contractors. We do all the work from the ground up. A large part of our business is site utility and site lighting.
